

Dear Oak View Elementary School Parents and Community,

As principal of Oak View Elementary School, it is my pleasure to welcome everyone back for another great school year. We are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm. We strive to challenge each student to grow in his or her academic abilities and to be ready for the next level, middle school.

We have new staff members who are great teachers that understand and have committed to spending hours of planning and creating classroom activities to engage our students in active learning. The previous years of good teachers have laid the foundation. They have passed the baton to the next group of dedicated educators to continue to work hard on improving our school.

Our teachers will utilize evidence based best practices and analyze academic data to determine current skill levels and to set goals for growth and improvement. We believe that all students should graduate from high school prepared for the demands of post-secondary education, meaningful careers, and effective citizenship.

I am honored to serve as the principal of Oak View Elementary School. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic and social growth. Please feel free to contact me at 678-875-1302 or at [sabrina m pressley@dekalbschoolsga.org](mailto:sabrina_m_pressley@dekalbschoolsga.org).

Once again, welcome back! Let's make it another great year at Oak View together!

Committed to maximizing potential,

*Sabrina Waters*
